# Kyoto ginger hoji tea

KOTO Ginger Farm

## Less caffeine Hoji Japanese tea

Japanese people, especially Kyoto citizen drink Hoji tea with daily meals. It contains less caffeine, so small children also can drink.

## Hot ginger tea makes our body warmer

Ginger includes shogaol which makes our body warmer. Ginger are used in 80% of Kanpo Japanese herbal medicine.

Japanese people often use ginger for sore throat as well.

## Best balance produced by Japanese tea master

Kyoto ginger hoji tea is smooth to drink. Even 6 years old child can enjoy the flavor of the ginger. By continuing drinking, it'll be helpful to keep your body warm and healthy.
